

cECG armchair

 Joana M. Warnecke

Updated date: Jun 28, 2022

An abbreviated version of this protocol was published in PLoS ONE in Jul 2021

Registered report protocol: Developing an artifact index for capacitive electrocardiography signals acquired with an armchair

DOI: 10.1371/journal.pone.0254780

Detailed protocol

Dear Satyam,

Hope you are doing well!

I attached the paper "**Registered report protocol: Developing an artifact index for capacitive electrocardiography signals acquired with an armchair**". You can also write me an e-mail if you have questions.

Best wishes

Joana
